Obviously you need time to advertise for your event, which in turn also means we need time to process your requests and application. So advanced planning is key and can make or break your event. **All requests will be submitted a minimum of 45 days in advance of the event** for city staffing to review and approval. Keep this in mind during your advertisement timelines. Plan on submitting your requests 45 days in advance of your advertising campaign so you have the approved permits before you start spending time and funds to promote your celebration.

Organizing an event can be overwhelming and time consuming, but good preparation is the key and we truly hope your efforts translate into a safe, enjoyable and memorable celebration.

So....Let's continue.....What is a "Special Event"?

Per the City's special event policy.....

....A "Special Event" means any planned occurrence on a public right of way or public premises, including, but not limited to, parades, gatherings, festivals and athletic events which are not within the normal and ordinary use of that public premises or place or which, by nature of the event, may have a great impact on City services or resources than would have occurred had the event not taken place. Whether the event is considered within the normal, ordinary, or intended use of public facilities or property shall be determined by the City Department that maintains jurisdiction over the proposed venue.

****** SPECIAL NOTE :** If your event is held on private property or does NOT otherwise meet the definition of a special event, certain regulations may still apply. Please contact the City Clerk Office for more information.

YOU MAY ASK, WHEN AND WHERE CAN I HOLD MY SPECIAL EVENT?

Will your event be held in a city park? If yes, you will first need to contact the City of Manawa Clerks Office to make a reservation. The city has numerous locations that you can use for your celebrations festivities. It is typical that park rentals are booked as early as 1 year in advance of the event. Fees may vary on the request of the venue. Reservation dates can fill up quickly so the sooner you can make the reservation the better off you will be at obtaining your desired date. Reservations can be made on line at cityhall@wolfnet.net , over the phone or in person at the Manawa City Hall. Special event in City parks may require a map to describe the layout of your event to ensure the event will utilize park resources as they are intended. Before any stakes or materials are driven into the ground permission must be granted in advance by members of the Manawa City Council and all area utilities must be marked by calling Diggers Hotline. Please communicate your plans with City Officials.

WILL YOUR EVENT BE HELD ON A PUBLIC STREET OR RIGHT OF WAY?

If so, the city street closure permit will be needed to be obtained. There may be some limitations on the use of certain streets during street construction season. Also, keep in mind that if your request is to close a street which is also designed as a County or State Highway, a street permit will also be required from the Waupaca County Highway Department or the State of Wisconsin. Examples include County N (Union Street) County B (Howard Street & South Bridge Street) and State Highway 22/110. To contact the Waupaca County Highway Department for a street closure permit please contact 715-258-7152. County or State street closures will require a detailed map layout of your event. The map will indicate which streets needed to be closed, where barricades need to be placed and where you are proposing to re-route traffic. Event sponsors will be responsible for obtaining barricades and placing them in the proper locations. City assistance may be required for larger events. Other considerations, will you have adequate parking near your event? Larger events should consider off-site parking with shuttling participants to the celebration. Ensure adequate parking is available and designated near your event for those with disabilities. Check with the Manawa City Hall Clerk for current fees. If you have questions about street closures or need assistance with your closure plan, please contact the City of Manawa Clerks Office or the Police Department.

WHAT ABOUT HOLDING A PARADE

Per our City ordinances those looking at sponsoring a parade need to request a special parade permit for the street closure. Parade permits can be obtained by contacting the City of Manawa Clerks Office or the Police Department.

BY THE WAY, DO I NEED SECURITY?

Public safety is always important when holding such events or gatherings. So depending on the event type and the number of people expected, security personnel may be required at the event. Each event will designate a person to be in charge of the event and who can be contacted at any time by City officials. The number of security personnel and requirements will be determined by the Chief of Police or his designee, as they deem necessary during the application review process. If you have questions on potential security needs please contact the Chief of Police.

AM I GOING TO NEED A LICENSE TO SELL FOOD?

The City of Manawa does not require a license for food sales; however, the County of Waupaca does have regulations and may require a Non Profit Temporary Food Service License. For more information please contact the County Sanitarian at Health and Human Services Office.

CAN I LIGHT UP THE SKY WITH FIREWORKS?

Per City of Manawa Ordinances (Chapter 155), it is illegal to ignite fireworks or pyrotechnics within city limits without a special permit approved by the Manawa City Council. The user fee for this permit is **\$100.00** and must be received by the City Clerk no less than 45 days prior to the requested date of use. LOOKING TO SELLING SOMETHING? YOU WILL NEED A PEDDLERS LICENSE

City Ordinances allow transient merchants, peddlers and sellers to conduct business in the City of Manawa. However, they need to be registered and licensed with the City prior to engaging in direct sales or solicitation within the City limits. An application for merchants and solicitors can be obtained at the City Clerk’s Office and must be accompanied with a processing fee.

After receipt of application each and every merchant or vender will be subject to a background check from the Police Department.

For more information on these regulations, please contact the City Clerk’s Office.

GETTING A ROOF OVER YOUR HEAD

Tents, are sometimes necessary in sponsoring a special event. However, they are considered “Temporary Structures” and are regulated by fire code to ensure public safety. Below are some of things that need to be addressed:

Tent fabric and structures must be flame resistant.

The tents must be no less than 10 feet away from any permanent structure.

Fire extinguishers need to be present.

Sufficient exits need to be provided and marked.

Capacity signs are required.

Exit lights need to be installed and illuminated at all times.

Emergency lighting shall be installed and fully operational.

Generators and other internal combustion power sources need to be a minimum of 5 feet from the structure.

Enough fuel must be provided for uninterrupted operations during the event and a minimum of one portable fire extinguisher shall be provided.

Extension cords shall serve only one portable appliance and shall be properly rated for that device.

No Smoking shall be allowed inside the structure.

Heating devices shall be approved and UL listed.

If you are planning to have a large tent at your event that will provide shelter for your spectators, please contact the Manawa City Hall, Manawa Fire Department or the Public Works Director to address any concerns.

BONFIRES

Sorry, restrictions and regulations are in place to protect the public from the dangers of spreading fires. In general Chapter 152, open fires and bon fires are strictly prohibited. However, there are some exceptions to the rule such as outdoor cooking and ceremonial events. There will be no fees assessed for a Bon-Fire as long as there is a certified firefighter on scene during the event. A **\$50.00** Municipal Service charge will apply if the City has to summons a firefighter. The organization will be responsible for the firefighter’s wage.

For more information please contact the Manawa City Clerk’s office or the Manawa Rural Fire Department.

ANIMALS

Sorry, you can’t bring your puppy to the celebration. Special events are great for people, but many times they are not so great for your favorite pet. For example, large groups of people or loud vehicles and music at a parade can frighten an animal and make them do things they may not normally do. Per ordinance animals are prohibited on public property at the time a special event is taking place with more than 100 people. Exceptions do apply when animals are specifically trained to assist someone with disabilities or animals assisting emergency personnel.

For more information please contact the Clerk’s Office at the Manawa City Hall.

WASTE

Event planning should include requirements for sanitation and waste management. The last thing you want people to remember is how long they had to wait in line to use a toilet or see trash strewn about because there were not enough trash containers. The City of Manawa does not have regulations on toilet facilities; however, Wisconsin Code 55.32 states that approved toilet facilities for each gender shall be provided with the following requirements: 1 toilet for each 75 males, 1 urinal for each 50 males, and 1 toilet for each 30 females. Please note that due to the new ADA laws, handicap accessible portable toilets are required to be available with regular size toilets. Typically you need 5% of the units to be ADA accessible in a “cluster”. These toilets need to have an accessible path to them as well.

GARBAGE

If you need garbage cans for your event, please contact the Manawa City hall or the director of Public Works. Fifty Five gallon containers can be borrowed for your event; however, in many cases the event sponsor will be responsible for cleaning them out and disposing of the trash. For larger events, dumpsters can be retained by calling a sanitation company. The event sponsor is responsible for that.

RECYCLING

Why think about recycling at your special event? Well, because it's the law! Waupaca County has bins available for rent to clearly show people which containers are marked for recycling. For more information about renting recycling bins call Waupaca County Solid Waste Department.

ADDITIONAL POWER SOURCES

Are you in need of special electricity needs at your event? Depending on where the event is located the City may be able to supply you with extra temporary power at the site of your event. If not you may consider the use of a generator. In the event that your celebration is on public property, advanced permission is required before temporary electrical changes can be made as you may be responsible for those electrical cost.

For more information please contact Manawa City Hall or the Manawa Public Works Director.

COMPASSION FOR PERSONS WITH DISABILITES

In 2010 the Federal Government passed a new ADA (American Disability Act) regulations which require governments to make special accommodations so that those with disabilities have opportunities to access the same programs and services that everyone else can. For example, if your event is held in the middle of a grassy area in a city park, considerations will need to be made to allow those with mobility disabilities access to the event as grass is not considered an accessible surface.

Please contact the City of Manawa Clerks Office if you have questions or need guidance in making your event ADA accessible.

INSURANCE? YES YOU WILL NEED IT!

For most events, depending on the number of spectators and the types of activities, the City of Manawa has insurance requirements that need to be met and followed. A Certificate of Liability Insurance is required. No insurance required hereunder shall be carried with an insurer not authorized to do business in Wisconsin. The City reserves the right to disapprove any insurance company. A minimum AM Rating of VII is required.

INDEMNIFICATION

The applicant / organization shall indemnify, defend and hold harmless the City of Manawa, its officers, employees and volunteers from and against any claims, damages, losses and expenses arising out of the applied for activity / event except where caused by the sole negligence or willful misconduct of the city.

NOTICE OF CANCELLATION

The City of Manawa requires a 10 day written notice of cancellation. If this is not met the sponsor of the event will lose all posted monies associated with the event fees. Sole discretion remains with the city.
